

Agreement between All Saints C.E. Primary School and All Saints Before & After School Club 2021/22

The aims of the club are as follows:-

- To support working parents at the start and the end of the school day due to the increasing pressure from business and travel commitments.
- To provide support to parents who wish to return to work or attend further education courses.
- To provide a safe, supportive and caring environment for our pupils due to the increasing problems experienced due to further family commitments.
- To provide financial support (through profits generated) for school improvements.

The Club Management Committee will ensure that the Club is self-financing and make arrangements to adjust fees as necessary on an annual basis.

The Club will pay the school a weekly rent of £100 for the use of the school hall, after school club room (including energy costs) and playground/field. In the school year 2021/22 this will be £3,800.

It will be necessary for the Club to invest some of its profit in its own resources and also retain a working contingency. Any other surplus will be donated to the school for the benefit of the school community and the enhancement of the educational provision at the school.

As a general rule, the Club will provide its own consumable materials, but it may also use school equipment, subject to the approval of the Head Teacher, e.g. P.E. equipment for use in the school hall. The annual donation to the school will cover any wear and tear on such equipment
