Dear Parents,

I am pleased to tell you that places are now available to join a new **12-week football course** at **The Derby High School**, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is 'FUN through Football,' building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a **ball per player** for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held in the fantastic sports hall so trainers should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Blackburn Rovers, Bury, Preston North End, Manchester United, Liverpool, Blackpool, Everton, Burnley, Bolton, Oldham, Rochdale and Wigan.

The cost of the course is just £5.00 per week, which is payable in two instalments of £30. The first payment is due when booking your child on and the second payment due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

****NEW TOURNAMENT FORMAT****

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including; Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.

To book a place for your child please telephone the number below as soon as possible as a high response is expected.

LEARN TO RIDE

NCA Nationwide Cycling Academy

Here at the NCA, we provide safe and fun introductory sessions, aimed at getting children rolling along unaided on two wheels.

Our L2R sessions are designed to teach children between the ages of 5 and 12 years old, how to ride confidently without the need for stabilisers or support. Giving them a memorable lifetime achievement and their first taste of independent travel.

With only four riders in each hour long session, children receive the attention they need to progress to cycling proficiently under their own steam. Parents are expected to stay for the hour too and shouting encouragement or joining in is welcomed! Our aim is to inspire families to cycle together as a leisure pursuit, leading to a healthy and active lifestyle for our children in the future

NCA also offer 1-2-1 sessions for those who may require a little extra help, or if you are an adult with a bucket list, please get in touch!
