

Enrichment

At All Saints we feel that our extra-curricular clubs and activities are part of what makes our school unique and complement and enrich our curriculum. Pupils are encouraged to choose the clubs and activities they wish to take part in and they can choose as many as they like. We take pride in our efforts to provide both an active and healthy lifestyle for our children, in addition to our academic efforts.

Residential trips and visitors

Older children have the opportunity to go on a residential trip during the school year.

Additionally we arrange trips and visits to the school by theatre groups and those with professional expertise such as singers, artists and musicians.
