

Welcome to All Saints' Church of England Primary School

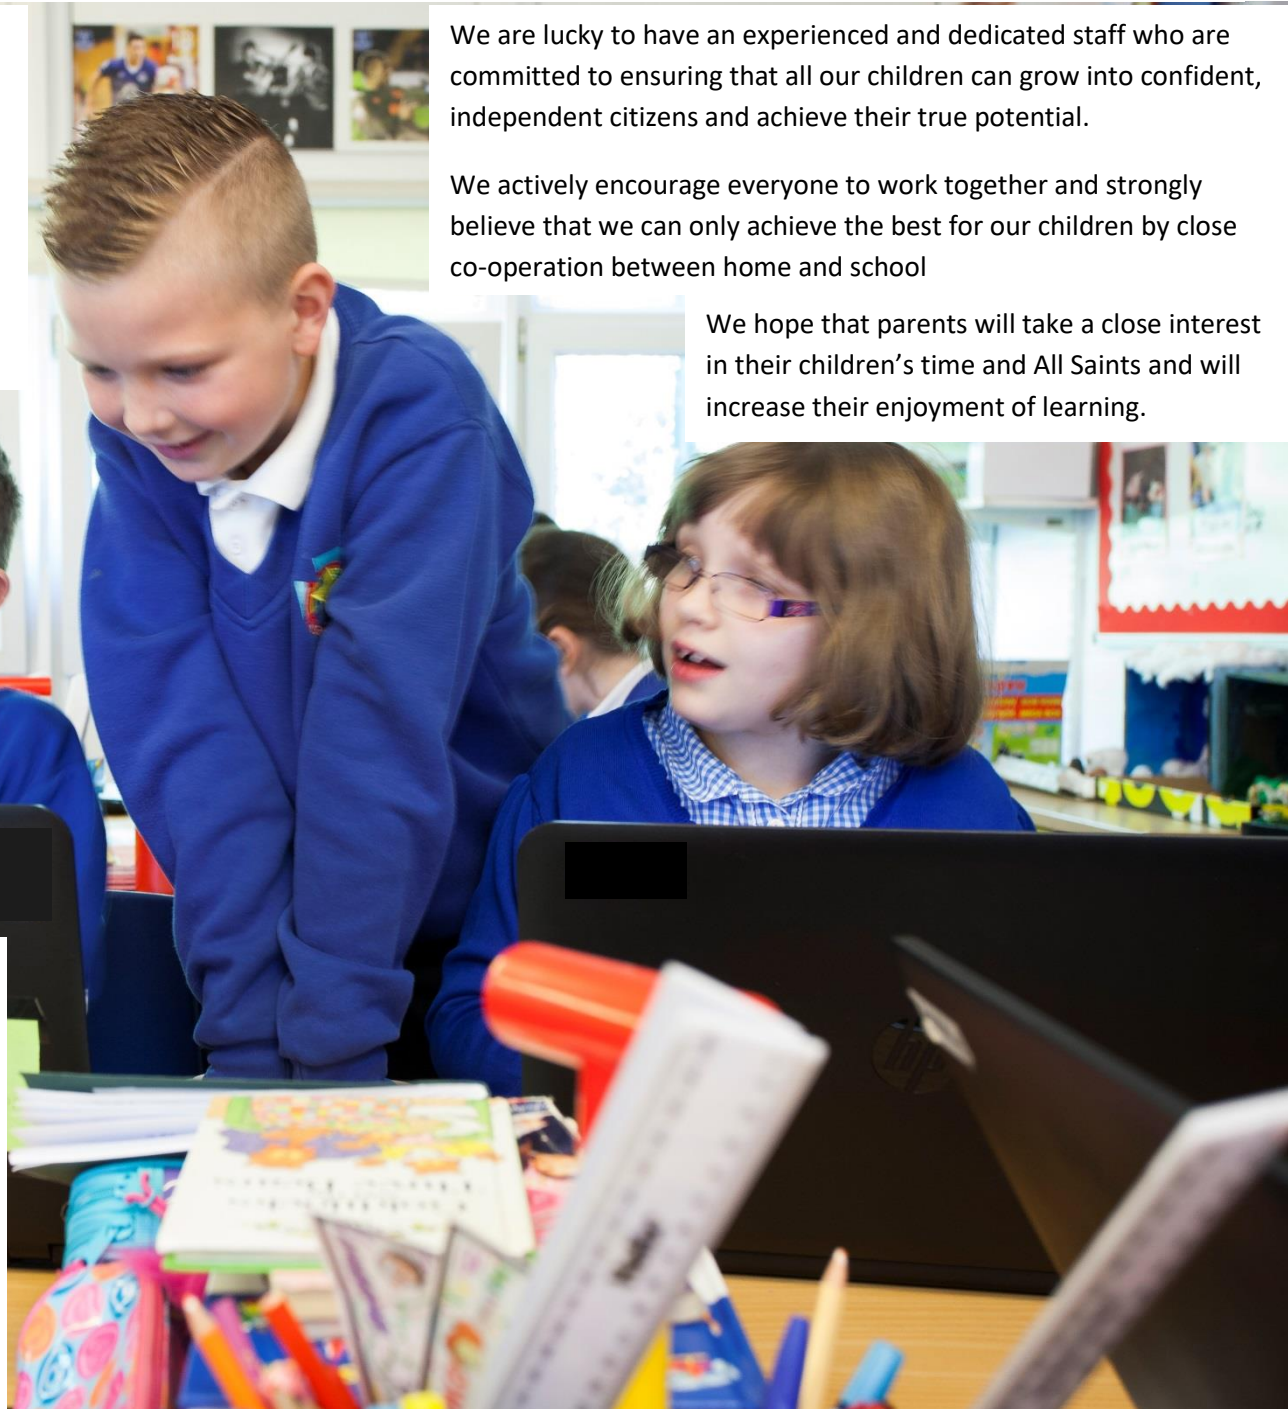

All Saints is a school that our children, staff, parents and governors are proud of. We believe that All Saints is a warm and welcoming environment where children can experience many successful and happy years and grow into, confident and respectful individuals.

We provide a caring, supportive community where everyone is valued. It is our aim to encourage a love of learning and creativity and inspire our learners to be the best they can be and follow their dreams.

We are lucky to have an experienced and dedicated staff who are committed to ensuring that all our children can grow into confident, independent citizens and achieve their true potential.

We actively encourage everyone to work together and strongly believe that we can only achieve the best for our children by close co-operation between home and school

We hope that parents will take a close interest in their children's time and All Saints and will increase their enjoyment of learning.

We offer a learning environment with meaningful and WOW experiences that nurture and develop creativity, talents and interests and fosters a deep love for learning. We want to ignite an interest in the world around them and encourage our children to be lifelong learners.

As part of our broad and exciting curriculum all our children have the opportunity to enjoy a wide variety of sporting and musical opportunities as well as regular trips and visits.

Our pastoral care is exceptional, ensuring that all our children are kept safe and supported both inside and outside school.
