

"Holiday Pen Pal Scrapbook Challenge"

Please can you complete your scrapbook by Monday 24th February

Task: Over the holiday create a scrapbook filled with memories, fun facts, and creative writing which you can share with your Pen-Pal. Make it as fun and as unique as possible.

Possible Ideas for Your Scrapbook

1. **Write & Share:** Each day, write a short note to your pen pal about what you've been doing—this could include day trips, activities, books you've read, or something new you've learned.
2. **Photo & Drawing Exchange:** Include drawings, photos, or small sketches of places you've visited or things you've enjoyed.
3. **Fun Fact Swap:** Share interesting facts about your family or something unique about your holiday experience. Have you watched your favourite football team on TV, or been to the cinema or played a new game on your computer etc.
4. **Favourite recipes:** If you bake at home, share your favourite recipe with your new friend.
5. **Mini Challenges:** Set small challenges for each other, like describing a dream holiday, or creating a comic strip about a cartoon character.
6. **Reflection Page:** At the end of your half term holiday, write a short letter/note which replies to their letter you received last week.

How to Present It:

- Please can you make a physical scrapbook and Mr Yates will take it to your Pen-Pal partner at the end of the first week. (Needs to be back in school by **Monday 24th February**)
- Decorate the outside of the book Mr Yates has provided with pictures, wrapping paper etc. Make it look unique, fun and exciting.
- It's your scrapbook between you and your friend so just have fun!

This activity will hopefully encourage writing, creativity, and connection with your Pen-Pal while making holiday memories more meaningful! ☺ 📖 ✍
