

Spring Activities for Year 1!

We have enjoyed learning lots of new things so far this year.

In music with our specialist teacher, Mrs Edwards, we have been learning to play the glockenspiel and compose our own compositions.

Miss Ahmed, our trainee teacher, has been creating lots of fun and practical maths lessons. Here we are learning to count in fives.

We always have lots of fun when taking part in forest school activities with Mr King.

Year 1 was visited by Miss Binns, our specialist Modern Foreign Languages (MFL) teacher. She normally works in KS2 only, but as a special treat on our whole school French Day, she came to teach our class some French. We loved meeting her friend knitted friend, Olivier!

Our budding scientists in Year 1 have been investigating how to keep warm.
