

ALL SAINTS C.E. PRIMARY SCHOOL

English

In English, we will be reading 'The Stone Age Boy' a book which follows the story of a boy who time travels back to the the Stone Age. Throughout this book Year 3 will learn how different life was during this time. Our focus will be on writing a new story with the children writing from their own perspective and how their life was during the Neolithic period.

Our SPAG (Spelling, Punctuation and Grammar) focus will be on revising prior learning before moving on to adding greater detail in our sentences by using conjunctions and descriptive vocabulary.

PE

Our PE day this half term will take place on Mondays and Wednesdays.

Monday: Fencing
Wednesday: Gymnastics

Spanish

Year 3 will begin a new spanish curriculum this term with teaching from subject specialist, Miss Binns.

Maths

In Maths, we will be exploring the topics of 'Place Value' and 'Addition and Subtraction'. In Place Value, we shall be using Base 10 equipment to represent the value of two-digit numbers, before progressing on to larger, 3-digit numbers. We will be then using our sense of number to compare, order and find 1, 10 or 100 more/less than a given number.

In our Addition and Subtraction unit, we will be learning to add and subtract two and 3 -digit numbers. We will also be practising quick recall of number facts and times tables.

By the end of Year 3, children should know the multiplication and division facts for the 3x tables, 4x tables and 8x tables. All children continue to have access to the very popular Times Tables Rock Stars to support them to practise at home. You will also be able to find songs on Youtube.

Welcome to Year 3 and the start of your child's KS2 learning journey.

RE

In Religion, the children will be reading the creation story and learning what this tells Christians about God. We will be discussing the importance of looking after the Earth as God's creation and what it is like for someone to follow god.

PSHCE

Our first Jigsaw topic of the year is called 'Being Me in My World'. We will be thinking about our feelings and the effect that our actions may have on others.

Science

In science we will we learning about 'light and dark'. Our focus question this half term is 'Why do we have light and dark and what is its impact on our everyday life?'

Throughout this unit the class will have the opportunity to partake in experiemnt's and discussions.

History

In History, we will begin the year by exploring the changes in Britain from the start of the Stone Age through to the Iron Age. This links nicely with our English unit.

Computing

In Computing this half-term, the children are learning about online safety.

Music

Year 3 will receive teaching from a visiting subject specialist from Bury Music Centre. The children will be continuing with PBuzz and will move onto recorders next half term.

Art

We will be looking at using paper/card to create 3D flowers.
Our artist for this half term is Arnold Drake World.
