Year 3 are enjoying making paper flowers in art.

In R.E. the EYFS children have been looking at how we are all special and have made stars for our picture to go on to show how special we are. We have also spoken about who is important to us.

Year 5 are exploring the concept of friction and how it can be measured. Using force meters, the children carried out an investigation comparing how different surfaces exert varying levels of friction on a shoe.

Year 4 have been busy showcasing their fantastic acting skills by bringing to life various scenes from the text, *The Lost Happy Endings*. They've truly captured the essence of the story. Well done, Year 4!

Year 6 are loving their music lessons. They are already preparing for the Beacon Alliance annual concert and have started learning the cup song!

Year 1 had a special visitor on Friday. In celebration of the European Day of Languages, one of our parents, Mrs Abiali (who is a specialist language teacher) visited Year 1 and Year 4 to teach some French. Thank you Mrs Abiali. The children had lots of fun.

The children in Year 2 had a "roarsome" time designing dinosaurs with their friends.
