It has been fantastic to see our pupils settle back into school routines with such enthusiasm and positivity. From our youngest to our oldest children, everyone has shown great resilience, kindness, and a real eagerness to learn. Our staff have worked hard to create a welcoming and engaging environment, and it's clear that your encouragement at home has made a big difference.

Diary Dates

Thursday 25th September – Donations of cakes/bakes welcomed at the school office or please drop off at the classroom doors, for Friday the 26th Macmillan coffee morning. Thank you in advance.
Friday 26th September – **Macmillan coffee morning** -Parents/carers all welcome 9.00am-10.30am, in the school hall.

Our Butterfly children have enjoyed settling in and have made lots of new friends.

Year 2 have been excited to be exploring the school grounds again during their Forest School lessons.

Amazing balancing skills on display in Year 1! Well Done.

Our Year 3 pupils have settled in wonderfully into KS2 and are already working super hard!

During PSHE session the pupils in Year 5 examined what makes All Saints CE Primary School a special place. The children came up with some wonderful and thoughtful ideas.

Year 4 have worked hard during their computing session, learning how to animate 2D images.

Year 6 have settled in well during their first week. They have enjoyed diving into all subjects and have started the year well! Their favourite lesson was PE!

Congratulations go to our Year 2 class with 100% attendance last week.
