We're looking forward to a fantastic week of learning ahead! As the weather forecast predicts rain and colder temperatures, please ensure that all pupils come to school with a waterproof coat and suitable footwear.

In their maths lessons, Year 4 have been learning about coordinates.

Year 3 were brilliant with their music reading abilities in their music lesson!

The children in EYFS explored the fascinating architecture of mosques. They used paper squares to create beautiful mosaic artwork inspired by the grand domes often seen on mosques. The children were wonderfully creative and thoroughly enjoyed the activity.

Year 2 have been enjoying doing lots of summer sports activities in the sunshine.

The children continued to develop their cricket skills in Year 5 with Coach Owen, athletics with Mrs Cooper and practiced rounders with Mr. Yates.

Year 1 are working hard on their 'out of this world' writing about the alien 'Beegu'.
