This week in PSHE Y6 looked at children and young people who are disadvantaged and discussed what they thought their hopes and dreams would be compared to theirs. It helped Y6 pupils feel grateful for their lives and helped them to reflect on how they can be kind and compassionate to others less fortunate.

The children in Year 2 have been using the Maths Whizz and Times Table Rockstars websites to help them to learn their number facts.

EYFS are reading the story of 'The Enormous Turnip'. The children acted out the story, using an enormous turnip and sang songs to accompany this re-telling. When outside the children went on to make turnip soup in the mud kitchen.

Year 3 did a fantastic job with their class worship. Well Done Year 3!

Year 4 have worked well in their RE lesson this week, learning about how Hindus pray and about the artefacts on a Hindu home shrine.

Year 1 are working hard on their football skills with coach Owen.

Year 5 continue to team build doing forest school, solving lots of problems too!
