Please look at your child's **class pages** on the school **website** for the class topic webs which will give you more details about what your child will be learning this term.

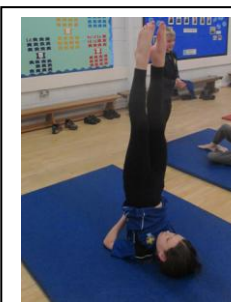

The butterflies have been thinking about our wonderful world. They sat in forest school to discuss their favourite things in our wonderful world. They made a wonderful world with material and added animals too. Lots of great discussion.

The children in Year 2 have been completing creative art, drama, music and writing tasks to learn all about The Great Fire of London.

Year 3 have investigated how friction changes depending on the surface.

Year 6 have loved finalising their art unit by drawing their own flower in real life. They looked closely at the intricate and delicate designs of a flower and replicated it in their art.

Year 4 have been using adjectives and adverbs to describe the Iron Man from their class novel.

Year 5 are developing new skills in their forest school sessions and have been whittling wood this week. They are also developing their gymnastic skills well too. Super efforts Year 5!

Year 1 have been putting last week's sketching and shading skills into practise this week by drawing daisies.
